

array< real, 2 >

multivec< 2, array< real, 1 > >

v\_  
s\_

v\_bou\_

Equation

The diagram illustrates the relationship between an 'Equation' and two data structures. At the bottom is a grey box labeled 'Equation'. Two dashed purple lines originate from the top of the 'Equation' box. The left dashed line is labeled 'v\_s\_' and terminates in a solid purple arrow pointing to a white box labeled 'array< real, 2 >'. The right dashed line is labeled 'v\_bou\_' and terminates in a solid purple arrow pointing to a white box labeled 'multivec< 2, array< real, 1 > >'.
